

# The Ability Clinic

Physical Medicine  
for people with special needs

## WHAT SETS US APART?

Our Ability Clinic eliminates the fragmentation of medical and therapy services, establishes and provides seamless case management throughout the individual's lifetime, facilitates ease of access to quality services and, most importantly improves the overall health and quality of life for persons with disabilities. By providing this comprehensive care in a centralized location, families are able to spend less time pursuing services through multiple agencies.

### ▲ Who is Dr. Charlie Law?

- The only practicing Physical Medicine and Rehabilitation physician certified in adult and pediatric rehabilitation in the state of Alabama
- More than 20 years experience providing medical care for children and adults with special needs
