Independent Auditor's Report

To the Board of Directors
United Ability, Inc.

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of United Ability, Inc., which comprise the consolidated statement of financial position as of September 30, 2019, the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Ability, Inc. as of September 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

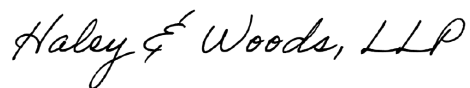

The financial statements of the Organization, as of and for the year ended September 30, 2018, were audited by other auditors, whose report, dated January 9, 2019, expressed an unmodified opinion on those statements.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2020, on our consideration of United Ability, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of United Ability, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Ability, Inc.'s internal control over financial reporting and compliance.

Emphasis of Matter

As disclosed in Note 2 to the financial statements, United Ability, Inc. adopted the Financial Accounting Standards Board issued Accounting Standards Update 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The adoption of this standard resulted in additional disclosures over liquidity and changes to the classification of net assets. Our opinion is not modified with respect to this matter.

Birmingham, Alabama
February 28, 2020

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization

Nature of organization: United Ability, Inc. (the Organization), formerly known as United Cerebral Palsy of Greater Birmingham, Inc., was founded in 1948 to provide services and programs for children and adults with cerebral palsy or related motor disorders that address their physical and health needs, that encourage their educational development and which offer opportunities for true integration into their social communities.

Consolidation of related entities: The Organization has adopted the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-810, Not-for-Profit Entities: Consolidation. FASB ASC 958-810 states that a not-for-profit organization should consolidate another not-for-profit organization if the reporting not-for-profit organization has both control of the other not-for-profit organization, as evidenced by either majority ownership or a majority voting interest in the board of the other not-for-profit organization, and an economic interest in the other not-for-profit organization.

For the years ended September 30, 2019 and 2018, the Organization's related entity was United Ability Foundation, Inc., which operates primarily for the benefit of the Organization.

The Organization is also required to comply with FASB ASC 850-10, Related Party Disclosures. Under this standard, all material related party transactions have been eliminated in the consolidating process and substantive disclosure of these amounts is not required.

Note 2. Significant Accounting Policies

Basis of accounting: The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The Organization follows the standards of accounting and financial reporting for voluntary health and welfare organizations developed by the National Health Council, National Voluntary Health and Social Welfare Organizations.

Basis of presentation: For financial statement presentation, the Organization has adopted FASB ASC 958-205, Not-for-Profit Entities: Presentation of Financial Statements. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Revenue and recognition of donor restrictions: The Organization receives support from government contracts and grants, client fees, United Way funds, public support, program sales and investment earnings. Government contracts and grants are recognized when relevant regulatory or contractual requirements are met, which vary depending on the type of compliance requirements specified in the grant or contract. Amounts received for client fees are recognized during the period of service.

Contributions, including United Way funds and public support, are recognized when the donor makes a gift or a promise to give to the Organization that is, in substance, unconditional. Amounts received for program sales are recognized when delivery has occurred or services have been rendered. Recycling income is recognized when the items, consisting of shredded paper, to be recycled are sold.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 2. Significant Accounting Policies (Continued)

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. All other net assets, including Board designated, are legally unrestricted, and are reported as part of the unrestricted class.

Use of estimates: The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents: For purposes of the consolidated statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. The Organization had \$1,590,000 and \$0 in cash equivalents at September 30, 2019 and 2018, respectively.

Accounts receivable and pledges receivable: Receivables are carried at original invoice or pledge amount less an estimate made for doubtful receivables based on a review of all outstanding amounts on a monthly basis. Pledges receivable or unconditional promises to give are recognized as revenues in the period received. Management determines the allowance for doubtful accounts by identifying troubled accounts or pledges and by using historical experience applied to an aging of accounts. Receivables are written off when deemed uncollectible. Recoveries of receivables previously written off are recorded when received.

As of September 30, 2019, pledges receivable totaled \$84,500, net of a \$5,000 reserve allowance, with \$84,500 due within one year. As of September 30, 2018, pledges receivable totaled \$142,100, net of a \$5,000 reserve allowance, with \$115,100 due within one year and \$27,000 due in one to four years.

Property and equipment: Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are stated at cost and are depreciated over their estimated useful lives using straight-line and accelerated methods.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 2. Significant Accounting Policies (Continued)

The average lives used in computing depreciation are as follows:

	<u>Years</u>
Land improvements	20
Buildings and improvements	20-39
Equipment and furniture	3-7
Vehicles	5-7

Impairment of assets: In accordance with FASB ASC 360-10-35, Impairment or Disposal of Long-Lived Assets, the Organization records impairment losses on long-lived assets used in operations when events and circumstances indicate that the assets might be impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of those assets. If impairment exists, the amount of such impairment is calculated based on the estimated fair value of the asset. The Organization continually evaluates its investment in long-lived assets used in operations for impairment. Based on this evaluation, there was no impairment at September 30, 2019 or 2018.

Investments: In accordance with FASB ASC 958-320, Not-for-Profit Entities: Investments – Debt and Equity Securities, investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value based on published prices. Changes in fair values are included in net gain (loss) on investments in the consolidated statements of activities. Realized gains and losses are computed on the specific identification method. All investment income (including interest and dividends on investments) and realized and unrealized gains and losses are included in net gain (loss) on investments in the consolidated statements of activities.

Functional expenses: The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the program services and supporting services benefited based on a percentage method on the following bases: 1) depreciation is allocated based on square-footage used by each program, 2) salaries and benefits are allocated based on estimates of time and effort and 3) other administrative expenses, such as dues and subscriptions, interest, legal and accounting and U.C.P.A., Inc. dues, are allocated based on the size of programs.

Accrued liabilities: As of September 30, 2017, the Organization was self-insured for employees' health insurance. The liability for unpaid claims is an estimate of the ultimate cost for claims reported and claims incurred but not paid. The Organization also carries a stop-loss insurance policy that limits the amount of the Organization's liability on larger claims. As of September 30, 2019 and 2018, the liability was \$60,000 and \$47,000, respectively, and is included in accrued payroll and benefits in the consolidated statements of financial position.

Income taxes: The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation.

The Organization files a tax return in the United States (U.S.) federal jurisdiction. The Board of Directors evaluated the Organization's tax position and concluded that the Organization has not entered into any events or transactions that would disqualify its tax-exempt status or has not taken any uncertain tax positions that would cause the Organization to incur income taxes or penalties at the entity level. With few exceptions, the Organization is no longer subject to U.S. federal tax examinations by tax authorities for years before 2016.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 2. Significant Accounting Policies (Continued)

Subsequent events: Subsequent events have been evaluated through February 28, 2020, which is the date the consolidated financial statements were available for issuance.

Recently adopted accounting pronouncement: In August 2016, the FASB issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The amendments in this ASU make improvements to the information provided in financial statements and accompanying notes of not-for-profit entities. The amendments set forth the FASB's improvements to net asset classification requirements and the information presented about a not-for-profit entity's liquidity, financial performance, and cash flows. This guidance became effective for the Organization's consolidated financial statements for the year ended September 30, 2019. This adoption of ASU 2016-14 did not have a significant impact on the Organization's consolidated financial position or changes in net assets.

In November 2016, the FASB issued ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash (a consensus of the FASB Emerging Issues Task Force)*, which provides guidance on the presentation of restricted cash or restricted cash equivalents in the statement of cash flows. ASU 2016-18 will be effective for the Organization beginning on October 1, 2019. The Organization had already been applying the amendments included in ASU 2016-18 to its consolidated financial statements for the years ended September 30, 2019 and 2018, therefore, there were no changes to previously issued financial statements.

In August 2018, the FASB issued ASU 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement*, which removes, modifies and adds certain disclosure requirements with respect to the fair value measurement disclosures within the scope of Topic 820, Fair Value Measurement. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019, and early adoption is allowed. The Organization has elected to early adopt ASU 2018-13, and applied the guidance to its consolidated financial statements for the years ended September 30, 2019 and 2018.

Recent accounting pronouncements: In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which amended the existing accounting standards for revenue recognition. ASU 2014-09 establishes principles for recognizing revenue upon the transfer of promised goods or services to customers, in an amount that reflects the consideration to which an entity is expected to be entitled for those goods or services. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Organization is currently in the process of evaluating the effect this guidance will have on its consolidated financial statements and related disclosures.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. The new standard is effective for fiscal years beginning after December 15, 2019. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the consolidated financial statements, with certain practical expedients available. In July 2018, the FASB issued ASU 2018-11, *Leases (Topic 842): Targeted Improvements*, which provides an additional transition method by allowing entities to initially apply the new leases standard at the adoption date and recognize a cumulative-effect adjustment to the opening balance of net assets (deficit) in the period of adoption. The Organization is currently evaluating the impact the pending adoption of the new standard will have on its consolidated financial statements.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 2. Significant Accounting Policies (Continued)

In August 2016, the FASB issued ASU 2016-15, *Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments*. ASU 2016-15 provides guidance on how certain cash receipts and cash payments should be presented and classified in the statement of cash flows with the objective of reducing existing diversity in practice with respect to these items. ASU 2016-15 will be effective for the Organization on October 1, 2019. Early adoption is permitted. ASU 2016-15 requires a retrospective transition method. However, if it is impracticable to apply the amendments retrospectively for some of the issues, the amendments for those issues would be applied prospectively as of the earliest date practicable. The Organization is currently evaluating the impact the adoption of this guidance will have on its statement of cash flows.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which clarifies and improves the scope and the accounting guidance for contributions received and contributions made. The amendments in this update should assist entities in (1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and (2) determining whether a contribution is conditional. While the guidance is effective for recipients for fiscal years beginning after December 15, 2018, early adoption is allowed. The Organization is currently evaluating the effect that this guidance will have on its consolidated financial statements.

Note 3. Liquidity

As of September 30, 2019, the Organization had financial assets available within one year of the consolidated statement of financial position date for general expenditure as follows:

Cash	\$	824,245
Cash – board designated		1,592,792
Cash – board designated endowment fund		57,153
Accounts receivable:		
Client fees		251,697
Document destruction		67,092
Grants		765,127
Other		92,236
Pledges receivable		84,500
Investments:		
Board designated		1,260,333
Board designated endowment fund		1,384,766
		<u>6,379,941</u>
Less those unavailable for general expenditures within one year, due to:		
Board designations:		
Designated for endowment		(1,441,919)
Designated for certain capital expenditures and operating reserves		(2,853,125)
Donor restricted:		
Dwight Moody Beeson Fund expenditures		(88,173)
Specific programs		(55,000)
	\$	<u>1,941,724</u>

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 3. Liquidity (Continued)

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, operating revenue generated throughout the year is budgeted to cover general operating expenditures.

Note 4. Fair Value of Financial Instruments

ASC 820, Fair Value Measurement, provides the framework for measuring fair value. The Organization reports its fair value measures using a three-level hierarchy that prioritizes the inputs used to measure fair value. This hierarchy, established by GAAP, requires that entities maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The three levels of inputs used to measure fair value are as follows:

Level 1: Quoted prices for identical assets or liabilities in active markets to which the Organization has access at the measurement date.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets in markets that are not active
- Observable inputs other than quoted prices for the asset or liability (for example, interest rates and yield curves)
- Inputs derived principally from, or corroborated by, observable market data by correlation

Level 3: Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Assets and liabilities measured at fair value are based on one or more of the three valuation techniques noted in the guidance. The three techniques are as follows:

Market approach: Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities.

Cost approach: Amount that would be required to replace the service capacity of an asset (i.e., replacement cost).

Income approach: Techniques to convert future amounts to a single present amount based on market expectations utilizing present value techniques.

On a recurring basis, the Organization is required to measure its investments and beneficial interest in perpetual trusts at fair value.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 4. Fair Value of Financial Instruments (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used during the years ended September 30, 2019 and 2018.

Common stocks, mutual funds and corporate and U.S. government bonds: Valued at the closing price reported on the active market on which the individual securities are traded.

Limited partnership interest: Valued at the net asset value of shares held by the Organization at year-end. The net asset value is not a publically-quoted price in an active market.

Beneficial interest in perpetual trusts: The fair value of investments, in which the trusts held by third parties consist of, is the market value based on quoted market prices or the most accurate data in lieu of market data.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Organization's assets that are measured at fair value on a recurring basis as of September 30:

	2019			Total
	Level 1	Level 2	Level 3	
Financial assets:				
Investments:				
Common stocks	\$ 1,296,684	\$ -	\$ -	\$ 1,296,684

Multi-asset income	53,397	-	-	53,397
Multi-asset ultrashort income	67,082	-	-	67,082
Preferred securities	99,895	-	-	99,895
Small cap	76,246	-	-	76,246
Value	10,768	-	-	10,768
Bonds:				
Corporate bonds	-	473,129	-	473,129
U.S. government bonds	-	9,954	-	9,954
Limited partnership interest	-	-	50,000	50,000
Beneficial interest in perpetual trusts	-	-	25,137,369	25,137,369
Total financial assets	\$ 1,984,110	\$ 483,083	\$ 25,187,369	\$ 27,654,562

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers between levels during the years ended September 30, 2019 and 2018.

Note 5. Property and Equipment

Property and equipment consist of the following as of September 30:

	2019	2018
Land and improvements	\$ 1,837,252	\$ 1,837,252
Buildings and improvements	14,676,048	14,530,441
Equipment and furniture	1,801,286	1,596,329
Vehicles	662,531	662,531
Less accumulated depreciation	(6,818,568)	(6,083,674)
	\$ 12,158,549	\$ 12,542,879

Depreciation expense amounted to \$734,894 and \$733,547 for the years ended September 30, 2019 and 2018, respectively, and is allocated among program and supporting services on the accompanying consolidated statements of activities.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 6. Investments

Investments – board designated consist of the following as of September 30:

	2019	2018
Mutual funds	\$ 373,018	\$ 379,784
Common stocks	562,491	496,175
Bonds	324,824	283,766
	<u>\$ 1,260,333</u>	<u>\$ 1,159,725</u>

Investments – board designated endowment fund consist of the following as of September 30:

	2019	2018
Mutual funds	\$ 412,286	\$ 439,430
Common stocks	734,193	668,721
Bonds	188,287	199,317
Aberdeen Capital Partners, LLC Class A preferred limited partnership interest	50,000	50,000
	<u>\$ 1,384,766</u>	<u>\$ 1,357,468</u>

As noted in Note 9, it is the Board's intention that these investments provide long-term stability and growth for the Organization and are therefore deemed unavailable, except as otherwise directed, until other funds have first been expended.

During the years ended September 30, 2019 and 2018, the Organization paid investment fees in the amount of \$9,907 and \$19,485, respectively.

Note 7. Beneficial Interest in Perpetual Trusts

The Organization's beneficial interest in perpetual trusts includes interest in trusts held by third parties through whom the Organization has an irrevocable right to receive at least 5% of the Organization's portion of the fair market value of the trusts annually from the trusts' assets in perpetuity. Although the Organization will never receive its interest in the trusts' principal assets, FASB ASC 958-605, Not-for-Profit Entities: Revenue Recognition, requires that the beneficial interest be recorded. As the donor's intent was for these assets to be held in perpetuity, these interests have been designated as permanently restricted as of September 30, 2019 and 2018. During the years ended September 30, 2019 and 2018, distributions from the trusts and changes in the valuation of the trust assets were recorded in the consolidated statements of activities.

United Ability, Inc.**Notes to Consolidated Financial Statements****Note 7. Beneficial Interest in Perpetual Trusts (Continued)**

Beneficial interest in perpetual trusts consists of the following as of September 30:

	2019		
	Market Value of Trust Assets	Income Beneficiary Percent	Organization's Beneficial Interest
Dwight Moody Beeson Charitable Trust	\$ 10,473,929	25.00%	\$ 2,618,483
Lucille Beeson Charitable Trust	216,731,113	10.60%	22,973,498
			<u>\$ 25,591,981</u>

	2018		
	Market Value of Trust Assets	Income Beneficiary Percent	Organization's Beneficial Interest
Dwight Moody Beeson Charitable Trust	\$ 10,694,917	25.00%	\$ 2,673,730
Lucille Beeson Charitable Trust	211,921,127	10.60%	22,463,639
			<u>\$ 25,137,369</u>

Note 8. Capital Lease Obligation

The Organization acquired a truck under a capital lease with a cost of \$89,931 and a net book value of \$36,401 and \$49,248 as of September 30, 2019 and 2018, respectively. The following is a schedule by years of the minimum lease payments under the capital lease together with the present value of the net minimum lease payments as of September 30, 2019:

Years ending September 30:	
2020	\$ 16,371
2021	16,371
2022	15,007
Total minimum lease payments	<u>47,749</u>
Less amount representing interest	(5,063)
Present value of net minimum lease payments	42,686
Less current portion	(13,582)
Capital lease obligation, less current portion	<u>\$ 29,104</u>

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 9. Net Assets Without Restrictions Designated by the Board for Endowment Purposes

The Board of Directors (Board) designated the net assets without restrictions of the United Ability Foundation, Inc. (Foundation) as a general endowment fund to conduct or support activities exclusively for the benefit of, to perform the functions of and to carry out the purposes of the Organization. To accomplish its mission, the Foundation provides long-term financial stability to the Organization, including, but not limited to, planned giving, endowment solicitation, gift acceptance and acknowledgement and asset management services for the Foundation's investments.

The long-term goals of the Foundation's investment and spending policy are: (1) to protect the assets of the Foundation and strive to maximize the total return to the extent possible without assuming excessive risk, (2) to provide a relatively predictable, stable and inflation adjusted payout stream for endowment spending and operations and (3) to maintain a balance between spending and protecting the real (i.e., inflation adjusted) value of the Foundation's assets. The Foundation's investments, to the extent practicable, should support the objectives and mission and may include program related investments when appropriate and consistent with prudent investment risk.

The Foundation's objective is to achieve an annualized total return that, at a minimum, will grow the assets by the rate of inflation, after having allowed for endowment spending and operating expenses. Investment objectives will be achieved using a total return strategy, where long-term return may come from both market value increases (realized and unrealized capital appreciation) and/or from current yield (interest and dividends). In light of the Foundation's long-term horizon and limited liquidity needs over and above withdrawal policies, the fund can assume volatility consistent with a long-term investment return objective. The assets allocation and investment agent guidelines are designed to provide a balance that will avoid concentrations in any single asset class, risk level or manager style.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 9. Net Assets Without Restrictions Designated by the Board for Endowment Purposes (Continued)

Composition of and changes in Foundation net assets for the years ended September 30, 2019 and 2018, are as follows:

	2019		
	Without Donor Restrictions Designated by the Board	With Donor Restrictions Perpetual Trusts	Total
Endowment net assets, beginning of year	\$ 1,435,430	\$ 25,137,369	\$ 26,572,799
Support and revenue:			
Contributions	25,606	-	25,606
Net loss on investments	(6,887)	-	(6,887)
Interest income	61,993	-	61,993
Change in fair value of beneficial interest in perpetual trusts, net of distributions	-	454,612	454,612
	80,712	454,612	535,324
Expenses:			
Supporting services:

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 10. Net Assets Without Donor Restrictions Designated by the Board for Other Purposes, Including Lucille Stewart Beeson Fund

The Board designated all distributions received from the Lucille Beeson Charitable Trust to be used, as approved by the Board, for certain capital expenditures and operating reserves as needed for future operating deficits. As of September 30, 2019 and 2018, the Board designated \$2,853,125 and \$1,981,079, respectively, of funds for such purposes.

Note 11. Net Assets With Donor Restrictions

Net assets with donor restrictions are available for the following purposes:

	2019	2018
Dwight Moody Beeson Fund expenditures	\$ 88,173	\$ 2,251
Children's services	55,000	-
Beneficial interest in perpetual trusts	25,591,981	25,137,369
	<u>\$ 25,735,154</u>	<u>\$ 25,139,620</u>

Note 12. Net Assets Released From Donor Restrictions

Net assets during the years ended September 30, 2019 and 2018, were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors.

	2019	2018
Purpose restrictions accomplished:		
Dwight Moody Beeson Fund expenditures	\$ 48,659	\$ 302,639

Note 13. Retirement Plan

The Organization contributes to a 403(b) retirement contribution plan. All employees who work at least 20 hours per week are eligible to participate in the plan. Benefits vest over a six-year period. Effective January 1, 2006, the Organization changed the benefits to allow for a three-year gradual phase-in resulting in a strict matching plan. For calendar years 2019 and 2018, the Organization contributed a dollar for dollar match on the first 5% of participant's contributions and 50 cents on the dollar for contributions from 5% to 7%. As of September 30, 2019 and 2018, 79 and 86 employees participated in the plan, respectively. The Organization's total contribution to the plan for the years ended September 30, 2019 and 2018, was \$227,271 and \$222,444, respectively.

United Ability, Inc.

Notes to Consolidated Financial Statements

Note 14. Leases

The Organization leases office space and equipment through various operating leases expiring through 2024. Future minimum lease payments as of September 30, 2019, are as follows:

Years ending September 30:		
2020	\$	48,242
2021		48,242
2022		48,242
2023		45,640
2024		-
	\$	<u>190,366</u>

Rental expense associated with the operating leases was \$48,242 and \$38,634 for the years ended September 30, 2019 and 2018, respectively, and is included in miscellaneous expenses in the accompanying consolidated statements of functional expenses.

Note 15. Risks and Uncertainties

The Organization maintains cash in bank accounts at high credit quality financial institutions. During 2019 and 2018, the Organization had cash on deposit with financial institutions in excess of federal depository insurance limits. The Organization has not experienced and does not anticipate any credit losses on these deposits.

For the years ended September 30, 2019 and 2018, approximately 48% and 46%, respectively, of the Organization's consolidated revenue was provided by the Federal and the Alabama state governments.

The Organization invests in a professionally managed portfolio that contains a money market fund, common stocks, mutual funds, corporate bond funds and a limited partnership interest. Such investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near-term would materially affect investment balances and amounts reported in the consolidated financial statements.
